## **SB 1079 - HB 1121**

March 11, 1997

**SUMMARY OF BILL:** Changes the qualifications for the hospital industry representative on the Health Facilities Commission from requiring an executive officer to a representative of the hospital industry. Exempts some health care facility relocations from the requirements of a Certificate of Need (CON) where the licensed beds are moved within the same county or service area. Eliminates the CON requirement for certain facilities such as magnetic resonance imaging and outpatient surgery. Does away with the CON requirement for a change of location for certain facilities unless the Health Facilities Commission staff determines that the change will increase the number of beds or have other material impact.

### **ESTIMATED FISCAL IMPACT:**

**Decrease State Revenue - \$38,000**

Assumes a loss of CON filing fees for the effected categories.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
